Couple Questions Game

48 question cards for date night, road trips, and slow evenings at home.

How to play

1. Cut out the cards. Shuffle each theme on its own, or mix all four.
2. Take turns drawing a card and reading it out loud.
3. Memories, Future, and Everyday cards: you both answer, the reader goes first.
4. Would You Know cards: your partner guesses your answer and keeps the card if right.
5. Whoever holds more Would You Know cards at the end picks the next date night.
6. Pass on any card you like. Nobody has to explain why.

The four themes

Memories	The story you already share.
Future	Plans, big and small, that are fun to picture.
Everyday	The habits and small preferences that make a home.
Would You Know	How well you really know each other's details.

Heard a plan worth keeping? Turn it into a pact in the Alpacto app so it actually happens.

Cut out: the deck cover and two blank cards for your own questions
