Cleaning Zones

One zone a week, fifteen minutes a day. When the timer rings, stop, even if you're not done.

Month _____ Time of day _____ Who's in _____

How it works

1. Find this week's zone and write the Monday date next to it.
2. Set a timer for 15 minutes and pick any task below, or one of your own.
3. When the timer rings, stop and write your initials under today.
