

Conversation Cards for Couples

48 questions for the talks you keep meaning to have, one card at a time.

How to play

1. Cut out the cards and pick one theme for tonight.
2. Choose a calm moment: a walk, a slow dinner, the drive home.
3. One of you draws a card and answers first. Then swap.
4. Listen to understand, not to reply. Ask one follow-up before moving on.
5. Two or three cards are plenty. Stop while it still feels good.
6. Skip any card, anytime. You can come back to it another day.

The four themes

Who We Are	Where each of you comes from and what matters to you.
How We Care	The ways you look after each other.
Home and Days	How you share the work and rhythm of daily life.
Where We're Going	The future you are building together.

Agreed on something worth doing every week? Keep it as a routine pact in the Alpacto app.

Cut out: the deck cover and two blank cards for your own questions
