

The Soon Translator

"Soon" becomes a day. "Later" becomes a time. We both initial it.

Week of

Our dictionary

"Soon" means	"Later" means	"In a bit" means
"This weekend" means	"When I get a chance" means	"After this episode" means

Who	What I'll do	Word I used	Day	Time	We both initial	New day	We both initial	Done

A new day needs both sets of initials. Asking for more time is always OK. Moving it quietly is not.

The person who made the promise writes the day. Nobody translates for the other person.
