

The Soon Translator

"Soon" becomes a day. "Later" becomes a time. We both initial it.

Week of _____

Our dictionary

"Soon" means _____	"Later" means _____	"In a bit" means _____
"This weekend" means _____	"When I get a chance" means _____	"After this episode" means _____

Who	What I'll do	Word I used	Day	Time	We both initial		New day	We both initial		Done

										☐

A new day needs both sets of initials. Asking for more time is always OK. Moving it quietly is not.

The person who made the promise writes the day. Nobody translates for the other person.
